Re: Buffalo, Oklahoma  
Sewer System Improvements  
Facility No. S-20902

Dear Mr. Rader:

This letter is to inform you that your application for a permit to construct wastewater treatment plant improvements is much more than a year old and we have received no corrected or resubmittals of plans and specifications.

This application is now cancelled and there will be no refund of fees. Should you desire to reactivate this improvement, it will be necessary for you to resubmit your application and fees.

Sincerely,

  
Bill D. Foutz, P.E.  
District Engineer  
Water Quality Service
